

Lake Stevens Triathlon 2015

Wow, what an incredible morning!! The fog lifted just in time for the event to start. We had great volunteer help from Calvary Christian Assembly, Snohomish Community Church (Jeff Reed you are amazing). The incredible Snohomish County Water Rescue Team who supported the water.

The Snohomish County Explorers who support multiple places on the cycle and run course. Brian from Snohomish Bicycle for the awesome bike support! And the City of the Lake Stevens Police and Snohomish County Sheriffs. So many people who helped make this event a success.

We are blessed! We hope you had fun and are looking forward to next year!!

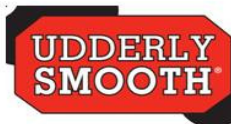

Finisher certificates and Age Group results are available:

With the passing of our dear friend, Gordon Gray, I am going to be working to figure out a way to get the age graded results to calculate the BuDu Champions. Thanks in advance for your patience.

Please support these great sponsors of this event
