BuDu Racing, LLC Charity of Choice: JDRF!

BuDu Racing, LLC is proud to pledge a portion of the registration fees to support the Juvenile Diabetes Research Foundation (JDRF). The mission of JDRF is to find a cure for diabetes and its complications through the support of research. Type 1 diabetes is an autoimmune disease that strikes children and adults suddenly, and can be fatal. Until a cure is found, people with type 1 diabetes have to test their blood sugar and give themselves insulin, every day of their lives. And even with that intensive care, insulin is not a cure for diabetes, nor does it prevent its eventual and devastating complications, which may include kidney failure, blindness, heart disease, stroke, and amputation.

We love our sponsors, and hope you do too! Please support them.

Thanks to local sponsors:
