

Lake Stevens Triathlon 09/09/17

Such a great day today in Lake Stevens at the last in the Corpore Sano PT BuDu Multisport Series. We had a little something we have not seen at an event in a while...Rain. Thankfully, it was very mild. We have so many people to thank: Jeff Reed, for setup and teardown of the bike and run courses. Kathleen Colvard, for help at packet pick up and at the food. Kirsten Reed for help at the food. Lisa Worthington helping on the water and on the run course. The JDRF (Abbi, Scott, Jordan, Greg and Susan) who all helped in different ways. Northwest Foursquare Church, Snohomish Community Church who helped at various points on course. Snohomish County Search and Rescue Swiftwater Rescue Team for help on the water. Snohomish Explorer Scouts on the bike course. Snohomish Sheriffs and Lake Stevens Police. Dave Tollefson, from Mjolnir Cycles, who just did whatever to help me. Brian from Centre Cycles (and FSA) for bike support. My staff (I could not do this without you) who just make my life easier. And to Rory, who keeps going and going and going!! Life is good with great friends around you!

This is the Sixth event of the BuDu Champion Series. For more information on the series, please go to:

BuDu Racing, LLC Charity of Choice: JDRF!

BuDu Racing, LLC is proud to pledge a portion of the registration fees to support the Juvenile Diabetes Research Foundation (JDRF). The mission of JDRF is to find a cure for diabetes and its complications through the support of research. Type 1 diabetes is an autoimmune disease that strikes children and adults suddenly, and can be fatal. Until a cure is found, people with type 1 diabetes have to test their blood sugar and give themselves insulin, every day of their lives. And even with that intensive care, insulin is not a cure for diabetes, nor does it prevent its eventual and devastating complications, which may include kidney failure, blindness, heart disease, stroke, and amputation.

We love our sponsors, and hope you do too! Please support them.
