

Securite' Luxury Gun Club West Side Mountain Bike Series Series Final Results

In order to be eligible for season ending prizes, you must participate in 5 of the 7 events. The last event is a stand alone race, with prizes of its own. This will help the series ending awards go more smoothly. If you participate in all 7 events (in the points series) or purchase a season pass, you will receive a series bonus of 15 points. Your accumulative series points will be a composite of your top five event finishes plus the series bonus (as applicable). Each participant who starts an event will automatically receive one point. If you want to change categories, you can, but you will need to remain in that category for the rest of the series (you can not return to the previous category). We have adjusted the series points to stay the same when transferring, as the lower category events have less points. You may not place in the series in more than one category.
