

Work Safe Access West Side Mountain Bike Series 2021 Series Placing

We are so thankful to each of you who came and participated in the Work Safe Access West Side Mtn Bike Series. There were so many changes, so that we could be in compliance with all the Covid Guidelines, but all you worked together with us to make it a wonderful experience. So many people expressed to us their happiness with being able to get out and participate, and while the camaraderie was not what it has been in the past, the fun was still there. We learned somethings that we will take forward to next year, but we just really look forward to celebrating events in the future.

A couple of notes about the series placing:

- 1) Series bonus of 15 points was given to anyone who participated in all 7 events
- 2) In order to be eligible for the series placing, one must compete in 5 events
- 3) Points are a composite of the 5 best placing points (other results are pulled out of the total)
- 4) If moving categories during the series, one must compete in at least 3 events in the category to be eligible
- 5) Ties are broken by looking at all the results, and determining who had the highest places when competing together

Again, we take \$1 from each registration and adding that to a pool for the series ending payout.
