

# Work Safe Access West Side Mountain Bike Series Port Gamble Trails - April 3, 2022

Wow, we were so blessed once again today. A few sprinkles here and there, some pretty good wind gusts, but other than that a great day on the trails. We are very thankful for Night Owl Cycling (Kelly and Heidi Campo) and their team, as well as the Port Gamble Trail Stewards who work the trails and set up/tear down the course. I heard from many of you saying how great the course was. We love hearing that. North Kitsap Mtn Vikes Jason Eidsness, from Night Owl Cycling said this about his home course: "It was such a good day riding and chatting with friends from all over the PNW. It's pretty cool to experience the diverse courses in this race series, and Port Gamble Trails was another unique ride with a beautifully groomed climb trail, some wide open scenery at the top and then endless, fast, forested downhill singletrack. Weather was unbeatable once again, and NK Mountain Vikes Monster Cookies made a great post race treat."

## SERIES ENDING INFORMATION

Here is a reminder about how the Series Points work:

Last Points Series event is at Port Gamble on 3/3/22. The 360 Park event is not included in any part of the series placing.

Points are awarded to each finisher in each division and category at the completion of each event and are carried over to the next event. The final event will be a stand alone event and will not count towards series points. At the final event we will have the series ending podium ceremony. This way, people can review the results and let BuDu Racing, LLC know ahead of time if there is an issue that needs to be reviewed. **\*\*MUST BE REPORTED BY MONDAY 4/4/22.**

In order to be eligible for season ending prizes, you must participate in 5 of the 8 events. The last event is a stand alone race, with prizes of its own. This will help the series ending awards go more smoothly. If you participate in all 7 events (in the points series) or are a Series Pass holder, you will receive a series bonus of 15 points. Your accumulative series points will be a composite of your top five event finishes plus the series bonus (as applicable). Each participant who starts an event will automatically receive one point. If you want to change categories, you can, but you will need to remain in that category for the rest of the series (you can not return to the previous category). We have adjusted the series points to stay the same when transferring, as the lower category events have less points. You may not place in the series in more than one category. Ties will be determined by the person who has placed the highest when competing at the same event.
